

WEBDESIGN PROJECT : LANDING PAGE BURGER WEBSITE IN PARIS

CONCEPT:

The main concept of this project is based on secret restaurant and pub like you can see them in London. The idea is to make the restaurant looks like something else as much as possible. To continue in that direction I decided to focus most of the design around mystery stories and detective tale especially british one such as Sherlock Holmes and Agatha Christie detective.

QUI SOMMES NOUS ?

LE FAUCON MALTAIS, BURGERS ET MYSTÈRES

Quod cum ita sit, paucae domus studiorum seriis cultibus antea celebratae nunc ludibriis ignaviae torpentis exundant, vocali sonu, perflabili tinnitu fidium resultantes. Denique pro philosopho cantor et in locum oratoris doctor artium ludicrarum accitur et bybliothecis sepulchrorum ritu in perpetuum clausis organa fabricantur hydraulica, et lyrae ad speciem carpentorum incentes tibiaeque et histrionici gestus instrumenta non levia.
